

 HYUNDAI Technical Service Bulletin	GROUP ENGINE	NUMBER 22-EM-009H
	DATE JUNE 2022	MODEL(S) ELANTRA (MD/UD) ELANTRA COUPE (JK) ELANTRA GT (GD)
SUBJECT: 1.8L NU ENGINE WARRANTY EXTENSION (TXXK)		

This TSB supersedes 21-EM-002H to revise the Powertrain coverage to engine long block.

Description: The Powertrain warranty coverage for the engine long block for damage related to a piston slap noise in the upper end of the engine as described in **TSB 22-EM-007H** has been extended.

- **10 years/120,000 miles** (whichever occurs first) for Original Retail Purchasers, Original Retail Lessees, or Hyundai Certified Pre-Owned Vehicle (“Original Owners”) in Cold Weather States*
- **8 years/80,000 miles** for all other owners (whichever occurs first) in Cold Weather States*

Please refer to TSB 22-EM-007H (or latest revision) for applicable part numbers and labor ops.

***Cold Weather states** include the following: Alaska, Colorado, Connecticut, Delaware, District of Columbia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Maine, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Montana, Nebraska, New Hampshire, New Jersey, New York, North Dakota, Ohio, Pennsylvania, Rhode Island, South Dakota, Utah, Vermont, Washington, West Virginia, Wisconsin, and Wyoming. **Vehicles that are currently or were previously registered in one of the above referenced cold weather states have been automatically included in the warranty extension.**

There are circumstances under which vehicles that are not currently registered or have never been registered in a Cold Weather State* may be eligible for this extended warranty. Customers can confirm eligibility and review the terms in which to be added to the extended warranty by visiting: www.hyundaiusa.com/TXXK.

Applicable Vehicles: Certain 2011-2016 Elantra (MD/UD) equipped with 1.8L Nu Engine Certain 2013 Elantra Coupe (JK) equipped with 1.8L Nu Engine Certain 2013 Elantra GT (GD) equipped with 1.8L Nu Engine
